Other Wells Fargo Benefits

It's Cybersecurity Awareness Month. Look out for these tell-tale signs to help spot an imposter scam.

Imposters may contact you with a message that:

- is unexpected.
- appears to be from a legitimate source but could be spoofed.
- claims to be urgent and asks you to act right away.
- uses language that manipulates your emotions.
- asks you to pay in an unusually specific way such as gift cards, cryptocurrency or payment apps.

Remember, caller ID can be spoofed, emails can be faked, voices can be cloned, and images can be altered. If you have doubts about the message call the company or government agency directly to find out if there really is a problem. And if they're impersonating Wells Fargo, call us right away or you can always check your account in the Wells Fargo Mobile® app\* or online banking.

Updated limits on Overdraft Fees

Effective October 1, 2024, we will no longer assess overdraft fees on items of \$10 or less. Additionally, if both your ending daily account balance and available balance are overdrawn by \$10 or less after we have processed your transactions, we won't assess an overdraft fee on those items.

As a reminder, your Everyday Checking account monthly service fee is \$10 per fee period. You can avoid the \$10 monthly service fee if you meet any one of the following conditions during each fee period\*:

- \$500 minimum daily balance
- \$500 or more in total qualifying electronic deposits\*\*
- The primary account owner is 17 - 24 years old\*\*\*
- A linked Wells Fargo Campus ATM Card or Campus Debit Card\*\*\*\*
- A non-civilian military direct deposit with the Wells Fargo Worldwide Military Banking program\*\*\*\*\*

---

\*The fee period is the period used to calculate the monthly service fee. The fee period details are provided on the Monthly Service Fee Summary located in your account statement and in the Monthly Service Fee Summary section through Wells Fargo Online® in your Activity Summary or Wells Fargo Mobile® in Routing & Details.

\*\*A qualifying electronic deposit is a deposit of funds, such as your salary, government benefit payment, or other income, that has posted to your account and is (1) a direct deposit made through the Automated Clearing House (ACH) network, (2) an instant payment processed through the RTP® network (real-time payment system) or FedNow Service, or (3) an electronic credit from a third party service that facilitates payments to your debit card using the Visa® or Mastercard® network (e.g. an Original Credit Transaction). Transfers from one account to another, mobile deposits, Zelle®, or deposits made at a branch or ATM are not considered a qualifying electronic deposit.

\*\*\*When the primary account owner reaches the age of 25, age can no longer be used to avoid the monthly service fee.

\*\*\*\*Eligibility is based on university and college participation in the Wells Fargo Campus Card program. Ask a banker or visit [wellsfargo.com/campuscard](https://wellsfargo.com/campuscard) for additional details.

\*\*\*\*\*You will receive your Worldwide Military Banking program benefits 45 days after your qualifying non-civilian military direct deposit is deposited into your eligible Wells Fargo checking account.
